Ayesha Gull

Computer Science Student | Full-Stack Developer (MERN) | Tech Enthusiast | Passionate ProblemSolve
Islamabad, Islāmābād, Pakistan

Summary

Hi, I'm Ayesha a curious and driven Computer Science student with a passion for building impactful web experiences.

I specialize in the MERN stack (MongoDB, Express, React, Node.js) but my interests go beyond just full-stack development. I'm deeply enthusiastic about clean code, system design, and continuous learning.

I thrive in fast-paced environments and love collaborating on real-world projects, turning complex challenges into simple, elegant solutions. Whether I'm writing backend APIs, building sleek UIs, or exploring new technologies, I approach every task with creativity and focus.

Things I'm currently exploring:

- ReactJs and NodeJs
- MongoDB
- Web Design
- Open-source contributions

Let's connect ! I'm always open to chatting about tech, startups, and cool project collaborations

Experience

Uptech Sol

Web Developer

August 2025 - Present (1 month)

Islāmābād, Pakistan

Uptech Sol

Full-stack Developer

March 2025 - June 2025 (4 months)

Pakistan

I successfully completed a comprehensive Full Stack Development course at UpTech Sol. During this program, I developed practical skills in front-end technologies such as HTML, CSS, JavaScript, React, Tailwind CSS, and Bootstrap, as well as back-end development with Node.js and MongoDB
